

## 1. Equipment Rental

A textphone can be rented by an eligible person for \$15 (including gst) per month. The rental charge applies to any model of textphone in the equipment pool.

If you qualify for textphone rental then you can choose to include one specified Visual alert OR one pager and alert as a free add on. The Trillium model TZVA4 Flasher is currently the specified visual alert device.

**Delivery Fee:** No delivery fee is charged for a rental textphone.

**Payment:** Rental charges are billed on a quarterly basis and payment must be made by direct debit.

## 2. Equipment Purchase

Equipment can be purchased at the prices listed in the table below. Prices are subject to change without notice. Call the Help Desk for current prices.

**Delivery Fee:** A delivery fee of \$12.38 (including GST) is charged for each item of equipment ordered.

**Payment:** Payment must be made by credit card or cheque. Delivery of the equipment will be made once the credit card charge is accepted or the cheque has cleared.
